➤ *World Championship in Atlanta, Ga.	4/16-18/09	8am-6pm (approx)

* Tentative participation. Our participation in these events depends on how well we do in the Michigan regional events.

Parents help needed for the following

- Arranging & participating in car pooling to events
- Coordinating & providing meals during the build season
- Volunteers for the Kettering & Lansing competition (we need to supply at least two for each)
- Transporting our robot & supplies to the local competitions
- A video camera for the team to use to document our season (we need to submit a video as a part of our Chairman's Award)
- Fund raising (Corporate & student lead)
- Field construction
- Team spirit at competitions
- Donations
